

1. Stay Informed and Connected

Follow the school and/or classroom's social media accounts.

Know the contact information for your child's school and teacher.

School/Teacher Name:

Telephone Number:

Email:

Make sure the school has your updated contact information.

Tips for Remote, Hybrid, and In-person Learning

2. Provide a Study Space for Remote and Hybrid Learning

Create a quiet spot for learning.

Make sure devices are charged and materials ready to go.

Contact the school if you need assistance with any of these.

3. Help your child maintain healthy habits.

Make sure masks are washed daily.

Remind your children to wash hands frequently and talk to them about social distancing.

4. Make sure you're kind to yourself.

The emotional health and safety of you and your children are what's most important!

Children's emotional and physical needs must be met first in order to achieve academically.
